ORDER CONSOLIDATING CASES FOR DISCOVERY PURPOSES

On January 9, 2014, the court conducted a telephonic scheduling conference in the above-captioned cases. During the conference, the court determined that, in the interests of judicial economy, these two cases should be consolidated for discovery purposes. The cases will proceed along identical tracks, and discovery requests in one case will be treated as requests for both cases. The court will determine at a later date whether the cases should also be consolidated for trial purposes. Accordingly,

IT IS ORDERED that case number 13-14908 is consolidated with case number 13-14904 for discovery purposes.
